To whom it may concern:

This letter will serve to confirm that the Wellington Catholic District School Board has been using ATR Property Maintenance for graffiti removal from its buildings and properties.

I have found that ATR's quick response time, competitive pricing, and removal process to be a valued service for the Board.

The Board has been pleased with the services provided by ATR Property Maintenance.

If you require more detail on the work ATR has provided to the Board please feel free to give me a call.
